

HOLYWELL INTERNATIONAL SCHOOL

EVERY CHILD MATTERS

MISSION STATEMENT

To identify the potential in every child and harness these potentials through the provision of the highest quality educational training.

We hope to apply child centered teaching methodology to ensure that every child has the best possible chance for a brighter future.

Holywell International School hopes to achieve this through innovation and team work from our well-motivated staff, parent and most importantly our learners.

VISION

To be an educational establishment of excellence offering academic and moral training of the highest quality comparable to standards anywhere in the world.
